Year 11 Jindabyne Excursion

Year 11 students of 2010 enjoying their ‘snow’ experience at Jindabyne.

Our ‘Jindabyne Excursion’ at Maclean High School

The Jindabyne experience allows students an opportunity to learn new skills under the guidance of trained instructors.

It affords students a chance to work collaboratively with their peers in an environment far removed from the North Coast. As well, as many as six other high schools stay at the Sport and Recreation complex and join in nightly activities.

Teachers who attend the week in Jindabyne speak highly of a group of young adults who grow in experience and maturity.
